Dear Ms. Lewis-Childress,

On behalf of Crete-Monee Middle School, I would like to thank you and your organization for donating to our school 20 cases with 24 16.9 oz bottles of hand sanitizer in each case.

Your donation was very thoughtful and was used by our most important people, the students and our staff here at Crete-Monee Middle School.

It is awesome to have such a great active community partner. We are indeed thankful and grateful to you for your support of CM201u.

Sincerely,

**Gregory Schneider
