Crete-Monee High School

Dr. James Harden, Principal

CMHS ALL-STATE ACADEMIC ATHLETES

CMHS Interim Athletic Director Mr. John Konecki and CMHS principal Dr. James Harden share a proud smile with the three student athletes selected for the 6A Academic All-State Team: (l-r) Justin Walters, Jr. (OL), Robert Schaeffer Sr. (LB/OL) and Clint Ratkovich, Jr. (QB/WR/LB). The boys were selected for the Academic All-State Team for their exemplary work in the classroom and excellence on the playing field. Twenty-seven teams in 6A had at least one representative on the team. Crete-Monee High School was one of six teams in 6A to have three or more student-athletes selected for the Academic All-State Team. Student-athletes selected to this prestigious team must have a cumulative GPA of 3.5 and be selected to the All-Conference team. The selection of the boys to the Academic All-State Team marks the first time since 2007 that Crete-Monee High School has had three student-athletes chosen for the honor.
