CMHS Principal Dr. James Harden shared the success of the Back to School Event “Parade of Champions” that was held on Friday, August 21, 2015. He estimated that there were an estimated 1,000 or more community and families in attendance. Members of the CM 201-U board commended everyone involved for a “job well done.” Superintendent Cunningham thanked all who came out and helped our students achieve a great start to the school year!
