WGN TV's Teacher of the Month
Mrs. Betsy Crawford, CMMS

"I feel very supported," Crete-Monee Middle School teacher Betsy Crawford told the school board this month as she was honored for her selection as **WGN TV's Teacher of the Month** for February. Mrs. Crawford was nominated by her student, Chloe Quin, who opined that Mrs. Crawford was worthy of the designation for "teaching us so many life lessons."

The Board of Education expressed its deep appreciation for Mrs. Crawford's hard work and dedication to her craft. Supt. Cunningham presented her with a gift card from the Board of Education and administration. Great job, Mrs. Crawford!
