 THEME:  
**Make a Good Decision,  
 Vote for ONE Vision!**  
 Nominate & Vote  
 for our NEW District Motto  
 & win a cool prize for your school!

The student council from Balmoral Elementary was all smiles as they held signs at this year's Night of Leadership event hosted by the Board of Education on Tuesday, November 15, 2016. The school's entry, Unity Starts with "U", was the winner of the **Name our New District Motto** contest which invited parents and community members to vote for their favorite motto in an online poll. Student government groups from every school submitted a motto for consideration. The party convention-styled event was also supported by local elected officials who encouraged students to continue to engage in the democratic process.
