

# CMHS

## SCIENCE TECHNOLOGY ENGINEERING ART MATH **NIGHT**

### Join in for an evening of interactive activities:

- Bottle biology
- Super conducting magnets (GSU)
- Slime!
- Code with HTML using Notepad
- Play computer games created by CMHS students
- Enter a math skills competition
- And many more!

### Plus...

A chance to meet and talk with members of the CMHS Robotics Club, who took first place in the Catapult Division at the Southworks Engineering and Robotics Competition last month.

May 22nd • CMHS Cafeteria • 5:30 - 7:30
