

MITTENS, SCARVES & HAT DRIVE

CRETE ELEMENTARY SCHOOL STUDENT COUNCIL

Fvir\$ mfyvr\$erh\$wv\$lvsviw\$Nxyhirx\$Syrqm\$Witviwirxexziw

SUMMARY OF PROJECT

*Our student council realized that a lot of our families in our community might be in need of winter essentials such as mittens, scarves, and hats.

*We decided that our school could raise awareness and sponsor a drive for these winter essentials.

*We connected with Monee Township for our community project.

IMPLEMENTATION

*Our student council had flyers go home to every student describing our community project.

*Every day, student council members went to each room to collect any donations that were brought in by the students.

A decorative graphic consisting of several parallel white lines of varying lengths, slanted diagonally from the bottom right towards the top right, located in the lower right quadrant of the slide.

OUTCOME

*We have extended our community project until December 1st. Our student council members will be reaching out to local businesses in hopes that we will be able to collect more items for our community.

*Monee Township will be picking up our donations and distributing them to the families in our community!
