SOCK-A-THON

Every night in the United States an estimated 600,000 people live on the streets.

Monee Elementary decided that this year we would donate 200 pairs of socks to show that even the smallest acts of love, like donating a pair of socks, can make a big difference in the lives of our neighbors who are homeless.

HOW WE DID IT!

Step 1. START A SCHOOL SOCK DRIVE

Start a new sock drive! Or gather other basic essentials for your local shelter, as they prepare for winter. Need to find a local shelter? Find one here: homelessshelterdirectory.org

Step 2. GET YOUR SCHOOL INVOLVED!

Set a goal (our goal was around 200 pairs of socks). Set a deadline. Make it happen!

Step 3. DONATE THE SOCKS!

When your sock drive is done, take the new socks you've collected and deliver them to your local shelter.

HOW WE FELT!

1. What happened?

–Monee Elementary collected over 200 pairs of socks as a school. We delivered the socks to All God’s People Warehouse in Orland Park.

2. What did the students learn from the experience?

–The students learned empathy from this project. They were able to see that not all people have what they need to live comfortably.
