

June 5, 2018

Dear Talala Families,

I write this letter with both bitter-sweet feelings to inform you of my resignation as the Principal of Talala Elementary. My last day will be at the end of my contract, June 30th.

I have been an administrator in the Crete-Monee school district for nine years, of which four of those years it has been an honor to serve as your child's principal. I am very thankful to have had this amazing experience as an educator, administrator, and a life-learner. I encourage all to stretch themselves and step out of their comfort zones, by doing so, I have been granted the opportunity to pursue new challenges and continue to grow professionally. It has been a pleasure working closely with the exceptional and dedicated Talala staff to implement and support current as well as new initiatives/programs/activities which helped shape our students as unique amazing individuals. It has also allowed them to reach new levels of academic success. I will truly miss my students who have brought joy to me each day! I am very proud of what Talala Elementary as whole have accomplished and I am confident what the future has in store.

Many thanks for all your support and dedication to our school, words alone cannot express my appreciation. I encourage for your participation to continue so the efforts established will extend beyond expectations.

Please look for future mailings over the summer in which learning opportunities for your children will be shared as well building/district announcements and updates.

Abundant blessings and best wishes to all Talala families!

Sincerely,

Mrs. Michelle Johnson
Principal
